Time Bonuses: Road Race Finish - Carlos M. (10s), Dane P. (6s), David M. (4s)
 Criterion 'Hot Spot' - David M. (6s), Carlos M. (4s)
 Criterion Finish - Jake F. (10s), David M. (6s), Carlos M. (4s)

Note: There were 9 riders who were not lapped in the Crit (13 total laps) and received their actual chip time. So for every lap under 13 that a rider did, 2min. (the approx. avg lap time of the leaders) was added to your time. Example: Matt Robinson completed 11 laps/27:46 time. Add 4min. (2min. Per lap below 13) = 31:46 revised time. Typically lapped riders are not scored, but an exception was made so everyone would be counted for the Crit and GC scores.

Scoring/Timing by
